Champagne meets Scandinavia

A Premier & Grand Cru Tasting Dinner together with:

Richard Juhlin

The world's no. 1 Champagne expert

Richard Juhlin will guide you through this wonderful evening, where you will be pampered by pairing Champagne from six of the best growers-producers with a delicious six course Scandinavian menu.

Don't miss this unique opportunity to:

- Experience how Champagne perfectly matches a wide range of dishes and that Champagne so nicely can accompany a whole dinner.
- Taste that there are so much more and even better Champagnes than just the big brand names. We will take you on a tour with some of the best small growers-producers of Champagne.
- Meet and chat with Richard Juhlin.
- Be spoiled at an unbeatable price.

The Champagnes served during the evening will be two Blanc de Blancs, two Rosés, one Blanc de Noirs and one Blend from Champagne Houses Michel Arnould, Bonnaire, Guy Charlemagne, André Clouet, Larmand-Bernier and Vilmart – all top rated by Richard.

The six Scandinavian courses of the menu have been carefully chosen by **FINDS'** chef in regards to ingredients and tastes to perfectly match the served Champagnes.

The Champagnes are provided by **The Champagne House**, which offers the by far widest range of Champagnes in Hong Kong. Here you can choose among more than 25 of the best growers-producers.

Hoping that you think this event and the price are as fantastic as we do and that you will have a wonderful evening.
